NOTE

To request an accommodation for City-sponsored meetings or events or an alternative format for printed materials, please call Support Staff at 408-535-3505 or 408-294-9337 (TTY) as soon as possible, but at least three business days before any meeting or event. If you requested such an accommodation, please identify yourself to the technician seated at the staff table. If you did not call in advance and do now need assistance, please see the technician.

SUMMARY OF HEARING PROCEDURES

If you want to address the Commission, please fill out a speaker card located on the table near the Audio Visual Technician and deposit the completed card in the basket. There are also speaker cards in the back of the Chambers and at the side entrance.

The procedure for this hearing is as follows:

- After the staff report, applicants, and appellants may make a 5-minute presentation.
- The chair will call out names on the submitted speaker cards in the order received.
- As your name is called, line up in front of the microphone at the front of the Chamber. Each speaker will have two minutes. Speakers using a translator will have four minutes.
- After the public testimony, the applicant and appellant may make closing remarks for an additional five minutes.
- Planning Commissioners may ask questions of the speakers. Response to Commissioner questions will not reduce the speaker's time allowance.
- The public hearing will then be closed and the Planning Commission will take action on the item. The Planning Commission may request staff to respond to the public testimony, ask staff questions, and discuss the item.

If you challenge these land use decisions in court, you may be limited to raising only those issues you or someone else raised at this public hearing or in written correspondence delivered to the City at, or prior to, the public hearing.

The Planning Commission's action on rezonings, prezonings, General Plan Amendments and Code Amendments is only advisory to the City Council. The City Council will hold public hearings on these items. Section 20.120.400 of the Municipal Code provides the procedures for legal protests to the City Council on rezonings and prezonings.

Appeals: The Planning Commission's action on Conditional Use Permits is appealable to the City Council in accordance with Section 20.100.220 of the Municipal Code. The Commission's action on the environmental clearance under the California Environmental Quality Act (CEQA) for Conditional Use Permits is separately appealable to the City Council in accordance with Title 21 of the Municipal Code.

Agendas and a binder of all staff reports have been placed on the table near the door for your convenience.

ABOUT THE PLANNING COMMISSION

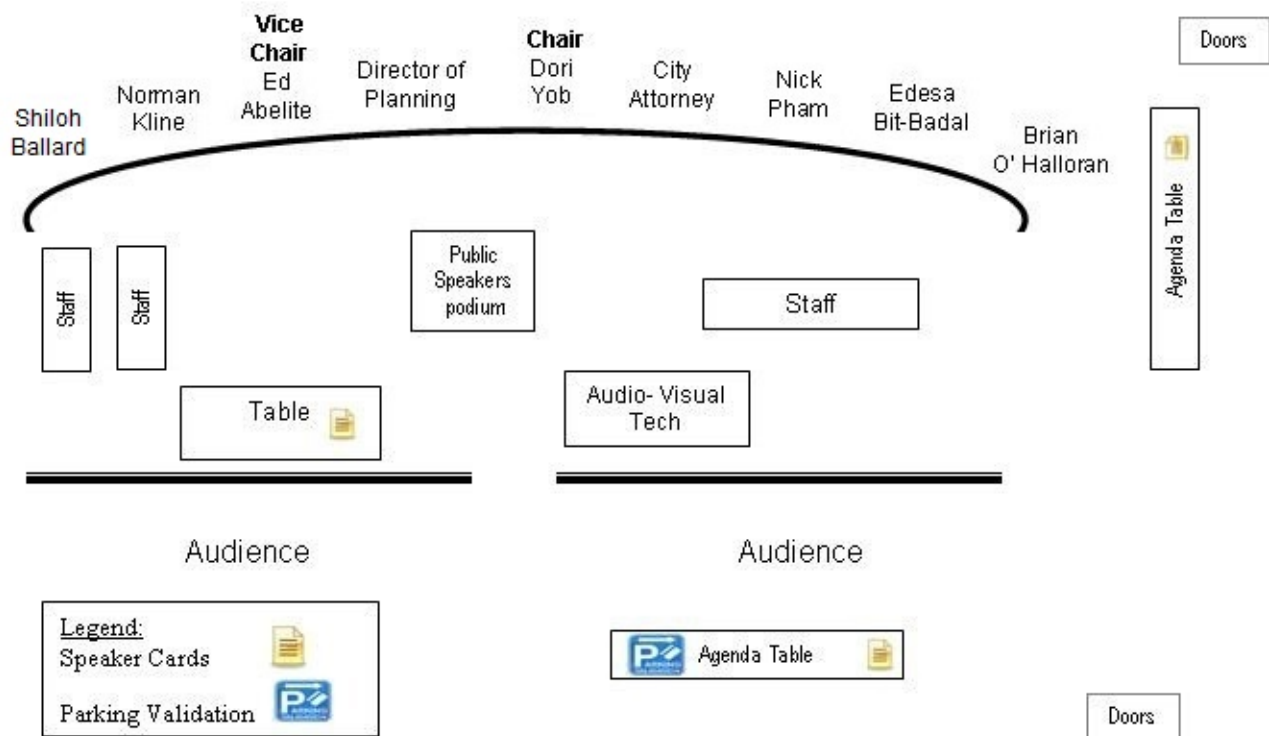

The Planning Commission is a seven-member body, appointed by the City Council, which performs two types of actions:

- One type is “Quasi-Legislative” in nature in which the Planning Commission makes recommendations to the City Council regarding the adoption, amendment, or repeal of general or specific plans, Zoning Code provisions, or regulations related to the land use development, redevelopment, rehabilitation or renewal of the City, including its Capital Improvement Programs.
- The second type of action is “Quasi-Judicial” in nature in which the Planning Commission applies previously adopted legislation to particular applications and acts as a decision-making or appellate body. Examples of these types of actions include Commission decisions on Conditional Use Permits, appeals of the Planning Director’s decisions on certain land use permits, and the certification of Environmental Impact Reports.

A notation of “Administrative Hearing” for an agenda item indicates that the item is a Quasi-Judicial action of the Commission in order to assist the public in understanding the role of the Planning Commission on a particular item.

To effectively manage the Planning Commission Agenda, and to be sensitive to concerns regarding the length of public hearing, the Planning Commission may determine to proceed with remaining agendized items past 11:00 p.m., or to continue this hearing to a later date, or to defer remaining items to the next regularly scheduled Planning Commission meeting date. The decision on how to proceed will be heard by the Planning Commission no later than 11:00 p.m.
